

**Addendum, Additions, Corrections & Notes**  
**Webcast Auction with Live Close**  
**May 4, 2024**

**Lot 91: UPDATE ADDED ON APRIL 24, 2024:** The watch has been easily fixed by our watchmaker and is on its way back to us. Stay tuned for a new video showing the watch functions working correctly! **ADDENDUM ADDED ON APRIL 18, 2024:** The chronograph was observed with the sweep hands fully stopping or jumping back at times while chronograph was operating. The watch is being sent to our watchmaker.
